To the Shareholders Bao Long Insurance Corporation

We have audited the accompanying financial statements of Bao Long Insurance Corporation ("the Corporation"), which comprise the balance sheet as at 31 December 2023, the statements of income and cash flows for the year then ended and the explanatory notes thereto which were authorised for issue by the Corporation's Board of Executive Officers on 19 March 2024, as set out on pages 5 to 63

MANAGEMENT'S RESPONSIBILITY

The Corporation's Board of Executive Officers is responsible for the preparation and fair presentation of these financial statements in accordance with Vietnamese Accounting Standards, the Vietnamese Accounting System for enterprises, Circular No. 232/2012/TT-BTC dated 28 December 2012 issued by the Ministry of Finance on the promulgation of accounting guidance for non-life insurance companies, reinsurance companies and branches of foreign non-life insurance companies and the relevant statutory requirements applicable to financial reporting, and for such internal control as the Board of Executive Officers determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Corporation's Board of Executive Officers, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

AUDITOR'S OPINION

In our opinion, the financial statements give a true and fair view, in all material respects, of the financial position of Bao Long Insurance Corporation as at 31 December 2023 and of its results of operations and its cash flows for the year then ended in accordance with Vietnamese Accounting Standards, the Vietnamese Accounting System for enterprises, Circular No. 232/2012/TT-BTC dated 28 December 2012 issued by the Ministry of Finance on the promulgation of accounting guidance for non-life insurance companies, reinsurance companies and branches of foreign non-life insurance companies and the relevant statutory requirements applicable to financial reporting.
